Our four deluxe rooms and two suites are thoughtfully designed and decadently furnished to create the perfect setting for your personal love story.

Wake up with the magnificent sunrise over the Indian Ocean before enjoying a scrumptious breakfast on your private patio or at **NÖBIS**, our ocean front restaurant. Spend the day lounging by the pool under swaying palm trees or take endless walks along one of the most idyllic beaches in the world.

CASA
PARADIS

Breakfast, lunch, dinner and selected drinks are served in our barefoot restaurant, bar & rooftop lounge **NÖBIS**. Rest comfortably on Persian carpets and pillows - just like your inner princess demands.

Denisa, Valentin and their team invite you to indulge in selected culinary delights, inspired by their Mediterranean roots, refined with Middle Eastern flavours and created with the fresh produce from the Spice Islands.

Drinks are served all day at the bar, where our dedicated bar tender works wonders with fresh juices, local spices and refined spirits. Enjoy every moment, every bite, every sip. Experience this enchanting island lifestyle with all your senses, surrounded by truth, beauty & love.

Stay in a tropical boutique hotel inspired by an Arabian fantasy. Explore our two different room categories and find your blissful harbour of tranquility. With a colour palette based on iridescent precious gems, our rooms are designed to tend to your inner god(dess).

Heavy handcrafted hard wood furniture, intricate Nero cement detailing, brushed brass fittings, quality king-size mattresses, luxurious soft furnishings, plush Persian carpets and selected art create a unique fusion of true barefoot luxury in a royal setting.

Casa Paradis is an adults only property. Young adults from age 15 - 18 are welcome when accompanied by their parents.
